

## **CORRIGENDA**

**COVID-19 vaccination: supply and logistics guidance:  
interim guidance, 12 February 2021**

**(WHO/2019-nCoV/vaccine\_deployment/logistics/2021.1)**

**Pages 48–49, all tables, column 2 (Tools)**

The tools listed in the four tables on pages 48–49 were originally numbered from 1 to 20. All numbers have been removed and replaced with bullets.

The replacement pages can be found at the end of this corrigenda.

These corrections have been incorporated into the electronic file.
